

Group Profile

EKL EUROTEx KNITWEAR LIMITED

Manufacturing & Sourcing Excellence (Knit, Woven & Sweater)

EUROTEx KNITWEAR LTD, is a 100% export oriented vertical setup composite knit industry, having own Knitting, Dyeing, Printing, AOP, Embroidery & Accessories, situated at Nayamati, Kutubpur, Fatulla, Narayanganj-1400, Bangladesh, which established in 1998.

About Eurotex

We ensure more green, not polluting environment in order to keep safe Earth for the better living. We want to make the world a better place. Implementing green practices in factories, homes and offices can help reduce waste, conserve resources, improve air and water quality, and protect ecosystems and biodiversity. Going green means pursuing knowledge and practices that can lead to more environment friendly and ecologically responsible decisions and lifestyles, which can help protect the environment and sustain its natural resources for current and future generations. Being eco-friendly or environment friendly is becoming more and more important. Eco-friendly products promote green living that helps conserve energy and also prevent air, water and noise pollution. They prove to be boons for the environment and also prevent human health from deterioration.

We are in constant pursuit of faster. We work to be fast in how we adapt to and connect with the constantly changing world around us. Through innovative design, iconic apparel and authentic partnerships, we aim to always push what's next. In both apparel and culture. That hustler's spirit can be felt across Eurotex categories, partnerships, offices, and countries. And we are always in search of talent that can help us set the pace at which apparel and culture collide, as well as finding better ways to connect and collaborate with our communities.

Eurotex Group started its journey as a house of Readymade Garments (RMG) engaged in manufacturing and exporting of Knit Apparels since 1998 and has been considered today as one of the biggest conglomerates with substantial establishment of its backward linkage of all kinds of knit garments, textile, wet processing & garments accessories. It has the state of art vertically integrated garments manufacturing facility which ensures one stop service to the buyers. We have established ourselves as an important garments manufacturer for a number of renowned brand apparels of Europe, USA & Canada, Australia, Japan
